

# TABLE OF CONTENTS

Introduction . . . . .	ix
<b>CHAPTER 1. STATE CONTROL OF WATER POLLUTION: THE CALIFORNIA MODEL . . . . .</b>	
I. A Survey of Water Pollution in California . . . . .	1
II. Legal Solutions to Pollution Before 1949 . . . . .	7
III. Current California Law . . . . .	10
A. The Regional Water Quality Control Boards . . . . .	11
1. Structure of the Regional Boards . . . . .	11
2. Formulation of Regional Water Policy . . . . .	12
3. Jurisdiction . . . . .	16
4. Waste Discharge Requirements . . . . .	18
B. State Water Resources Control Board . . . . .	25
C. State Department of Public Health . . . . .	28
D. State Department of Fish and Game . . . . .	31
E. The Common Law . . . . .	34
1. The Common-Law Rights . . . . .	34
2. Common Law Remedies . . . . .	37
IV. Conclusion . . . . .	38
<b>CHAPTER 2. WATER POLLUTION CONTROL THROUGH INTERSTATE AGREEMENT . . . . .</b>	
I. The Compact Device . . . . .	43
II. Water Pollution Compacts . . . . .	46
A. Delaware River Basin Compact . . . . .	49
B. Lake Champlain Basin Compact . . . . .	53
C. Tri-State Compact . . . . .	53
D. Ohio River Valley Compact . . . . .	56
E. Tennessee River Basin Compact . . . . .	59
F. Klamath River Compact . . . . .	60
G. Potomac River Basin Compact . . . . .	61
H. New England Interstate Compact . . . . .	63
I. Arkansas River Basin Compact . . . . .	65
J. Columbia River Basin Compact . . . . .	66
K. Great Lakes Basin Compact . . . . .	66
III. Conclusion . . . . .	67
<b>CHAPTER 3. FEDERAL PROGRAMS FOR WATER POLLUTION CONTROL . . . . .</b>	
I. The Current Federal Program . . . . .	71
A. Financial and Technical Assistance . . . . .	74
1. The Federal Water Pollution Control Act . . . . .	75
a. Construction Grants . . . . .	76
b. Program Grants . . . . .	78
c. Research and Demonstration Grants . . . . .	79
d. Grants for Comprehensive Basin Planning . . . . .	80

e. Direct Operations . . . . .	80
2. Other Sources of Federal Assistance . . . . .	83
B. Federal Sanctions . . . . .	83
1. Federal Water Pollution Control Act: Jurisdiction . . . . .	84
a. Interstate Pollution: Federal Initiative . . . . .	85
b. Shellfish Contamination: Federal Initiative . . . . .	85
c. Interstate Pollution: State Initiative . . . . .	86
d. International Pollution: Federal Initiative . . . . .	86
e. Intrastate Pollution: State Initiative . . . . .	87
f. A Critique of Jurisdictional Limitations . . . . .	87
2. Federal Water Pollution Control Act:	
Abatement Proceedings . . . . .	88
a. First Step: Conference . . . . .	88
b. Second Step: Hearing . . . . .	89
c. Third Step: Court . . . . .	90
C. Federal Water Pollution Control Act:	
Water Quality Standards . . . . .	92
D. Rivers and Harbors Act of 1899 . . . . .	96
E. Oil Pollution Act of 1924 . . . . .	97
F. Regulations . . . . .	98
G. Executive Order 11,288 . . . . .	99
II. Analysis of the Current Federal Program . . . . .	100
 CHAPTER 4. SPECIAL PROBLEMS OF WATER POLLUTION:	
THE PRIVATE SECTOR . . . . .	105
I. Pollutants and their Effect on Water . . . . .	106
II. Sources of Industrial Pollution . . . . .	107
A. Pulp and Paper Industry . . . . .	107
B. Chemical Industry . . . . .	109
C. Utility Industry . . . . .	110
D. Steel Industry . . . . .	112
E. Mining Industry . . . . .	113
F. Food Processing Industry . . . . .	114
G. Petroleum Industry . . . . .	115
III. Sources of Agricultural Pollution . . . . .	116
A. Pollution by Pesticides . . . . .	117
B. Pollution by Animal Wastes . . . . .	118
C. Pollution by Irrigation . . . . .	119
IV. Special Considerations in Abating Pollution in the Private Sector . . . . .	121
A. Adequacy of Technology for Pollution Abatement . . . . .	121
B. Economic Aspects of Pollution . . . . .	122
V. Alternative Forms of Pollution Control . . . . .	125
A. Common Law . . . . .	126
B. Regulation and Enforcement . . . . .	128
1. State Regulation and Enforcement Programs . . . . .	128

2. Regional Regulation and Enforcement Programs . . . . .	131
3. Federal Regulation and Enforcement Programs . . . . .	131
4. Evaluation of Regulation and Enforcement . . . . .	132
C. Payments and Incentives . . . . .	133
1. State Incentive Programs . . . . .	133
2. Federal Incentive Programs . . . . .	134
3. Evaluation of Payments and Incentives . . . . .	135
D. Effluent Charges . . . . .	136
VI. Conclusion . . . . .	138
CHAPTER 5. POLLUTION OF GROUND WATER . . . . .	141
I. Travel of Pollution . . . . .	141
A. The Existence of Usable Quantities of Ground Water . . . . .	142
B. Sources of Pollution . . . . .	142
1. Waste Disposal . . . . .	142
a. Impoundments and Lagoons . . . . .	143
b. Septic Tanks and Cesspools . . . . .	144
c. Refuse Dumps and Sanitary Landfills . . . . .	146
d. Surface Water Waste Disposal . . . . .	147
e. Disposal Wells . . . . .	148
2. Salinity . . . . .	148
a. Sea Water Intrusion . . . . .	149
b. Salinity in Ground Water from Irrigation . . . . .	151
C. Movement of Pollution in Ground Water . . . . .	152
1. Environmental—Chemical Factors . . . . .	154
a. Filtration . . . . .	154
b. Absorption . . . . .	154
c. Degradation . . . . .	154
d. Dilution . . . . .	154
D. The Impact of Withdrawal and Use . . . . .	155
II. Ground Water Law . . . . .	156
A. The Common-Law Doctrines . . . . .	156
B. Appropriation Statutes . . . . .	157
III. Impact of Pollution Travel and Water Rights Doctrines on Pollution Control . . . . .	158
A. Pollution Control and Disposal Standards . . . . .	159
1. The Disparity Between Power and Ability . . . . .	159
2. The Disparity Between Power and Its Exercise . . . . .	161
B. Controlling the Supply to Prevent Pollution . . . . .	162
IV. Conclusion . . . . .	164
CHAPTER 6. POLLUTION OF THE SEA . . . . .	167
I. Definition of Pollution . . . . .	169
II. Oil Pollution . . . . .	174
A. The Problem . . . . .	174
B. Method of Solution . . . . .	176
1. Unilateral Action—The United States . . . . .	177
2. International Action . . . . .	179

3. Further Action—Unilateral, International, or Both? . . . . .	181
III. Nuclear Pollution . . . . .	183
A. The Problem . . . . .	183
B. Method of Solution . . . . .	185
1. Unilateral Action—The United States and Great Britain . . . . .	186
2. International Action . . . . .	190
IV. Other Sources of Pollution . . . . .	195
A. The Problem . . . . .	195
B. Method of Solution . . . . .	197
1. Unilateral Control . . . . .	198
2. International Control . . . . .	202
V. Conclusion . . . . .	203
Addendum . . . . .	205
 CHAPTER 7. WATER QUALITY IN THE SACRAMENTO—SAN	
JOAQUIN DELTA . . . . .	209
I. Introduction . . . . .	209
II. The Major Characteristics of the Delta . . . . .	210
A. Physical Characteristics . . . . .	210
1. Reclamation and Salinity . . . . .	210
2. Existing Inflow and Outflow: The Water Balance of the Delta Pool . . . . .	212
B. Social and Political Characteristics: Users . . . . .	213
1. The Export Agencies and their Projects . . . . .	213
2. Local Users of Delta Waters . . . . .	214
3. The Parties Involved: Representative Organizations for Local Users . . . . .	215
III. The Effects of Quality Degradation on Delta Users . . . . .	217
A. Water Degradation and the Export Agencies . . . . .	217
B. Water Degradation and Agriculture . . . . .	218
1. Salinity Generally . . . . .	218
2. Salinity in the Delta . . . . .	220
C. Salinity Effects on Industry and Municipalities . . . . .	222
D. Other Forms of Pollution and their Victims . . . . .	223
1. Pesticides . . . . .	223
2. Nutrients . . . . .	224
IV. Proposed Physical Solutions to the Agricultural and Oceanic Pollutions . . . . .	225
A. Agricultural Pollution—The Drains . . . . .	225
B. Oceanic Pollution—Barriers and the Peripheral Canal . . . . .	226
1. Physical Barriers . . . . .	227
2. Hydraulic Barriers . . . . .	228
a. The Original Criteria . . . . .	228
b. Later Versions of Outflow Criteria . . . . .	230
3. The Peripheral Canal and Overland Supplies . . . . .	233
a. Overland Supplies for Agriculture . . . . .	234

b. Other Overland Supplies . . . . . 237

V. Negotiation as a Solution . . . . . 238

    A. Policies of Negotiation . . . . . 238

    B. Quality Criteria Under Negotiation . . . . . 243

VI. Water Rights Law and the Delta . . . . . 248

    A. Looking Backward . . . . . 248

    B. Statutes Affecting Delta Waters . . . . . 249

        1. The Watershed Protection Statutes . . . . . 249

        2. County of Origin Acts . . . . . 252

        3. Collinsville Salinity Control and the Delta Protection Act 254

        4. The State Water Plan . . . . . 256

    C. Reasonable and Beneficial Use of Water . . . . . 257

    D. The Doctrine of Physical Solution . . . . . 260

VII. Conclusion . . . . . 261

TABLE OF CASES . . . . . 265

INDEX . . . . . 267
